Millbury Memorial High School
2001
Educating Since 1953

Millbury Memorial High School opened in April of 1953 with a graduating class of seventy - one. Since the original construction, the school has had three renovation projects. The first, in 1961, was the addition of the junior high wing. The area, now referred to as the Annex, added twenty-one classrooms as well as office space for the superintendent. In 1975 with the completion of the Raymond E. Shaw Memorial Middle School, grades seven and eight left the high school building while grades nine through twelve occupied the whole complex. A renovation and addition project in 1980 significantly changed the library, guidance office, music room, science laboratories, business classrooms, industrial arts areas, art room and physical education facilities. Because of the overcrowding at the elementary school, the eighth grade returned to the high school in 1985 and in 1990 the seventh grade followed.

The present renovations which are to be completed in 2002, will consist of a 29, 750 square foot addition in the rear of the building that will include five general classrooms, three science laboratories, three business classrooms, two language classrooms, a music classroom, a computer room as well as an expanded two level library. The renovations will also replace all the mechanical, electrical and plumbing systems in the entire school and remodel all existing classrooms. Although these renovations have brought disturbing noise and unpredictable chaos to our senior year, we endure them, knowing that what makes learning hard today will make it easier for the classes of tomorrow.

Senior~Senior Prom.....

On May 4, 2001, the senior class and the senior citizens of Millbury joined together at the Millbury Senior Center for a night where, as the Boston Globe portrayed in a front page article on May 11, 2001, "Brittany Spears met Elvis." Spearheaded by Aline Bourdeau, the community representative, Silva Stepian and Mark Grady, faculty representatives, Melissa Mathews, student representative the night went off without a hitch. A grant proposal was issued to the Community Service Learning board for this unique experience held in Millbury. To incorporate learning this evening, each student (of which there were approximately 30 participants) interviewed the seniors about their backgrounds and the changes in society has been since the turn of the century. The interviews were video taped by Gene Genese and aired on Millbury Cable Access Channel. The students that participated were seniors from the baseball and track teams, National Honor Society, Sociology and Family Living Courses. Many local businesses and organizations donated money, food, Limousines and a great deal of time and energy to make this evening of community support a true success.

Thank You, Thank You, Thank You, Thank You

Mrs. Kach and Mrs. Varin

A sincere thank you to Mrs. Kack and Mrs. Varin for the guidance and leadership they have given the class of 2001. Their tireless efforts led us through times of indecision and confusion. We appriciate their willingness to initiate new ventures and their patience in steering us on the road to success. The class of 2001 appreciates the time our advisors took from their personal lives to foster our growth as a successful class of young adults.

Thanks for the memories, from the Class of 2001

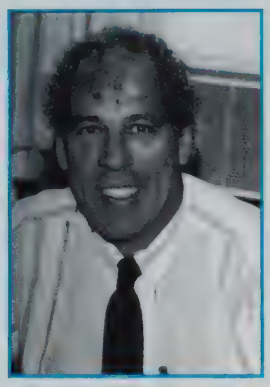
The Class of 2001's Dedication



Charles Capparelli Serving MHS 1964-2001

In 1964, Charles Capparelli came to Millbury High School to begin a career that would span over thirty-seven years. His tenure began with a position as a history teacher, which eventually led to his assuming the position of Social Studies Department Head. Mr. Capparelli became assistant principal in 1979. It is in this capacity that the Class of 2001 met and came to know the man we most affectionately call Mr. Cap. Most will agree that no one could have done a better job!

Over the past six years, we have come to know Mr.Cap in a way that extends beyond his title or his position. He has been the person who we have come to trust and depend on for help and advice, no matter what the circumstances. Mr. Cap and the Class of 2001 have developed a special relationship over the years, and we will truly miss him.

We have left behind memories of our stay at Millbury High School. How can you forget our freshmen year, Mr. Cap. Mr. Ford had to create a new mid-term exam. (I wonder why?) Senior year has been unique! What else could go wrong? The school became a construction site, complete with gas leak, no gym, no auditorium, and numerous lunch schedule adjustments. We hope that you will remember the football games, the 9-2 record of Woolie Pride, and the Winter Carnivals with you refereeing the floor hockey games. We hope that you never forget Millbury High School because we will never forget you. Wherever we go, you will always be a part of our high school memories.

The Class of 2001 would like to dedicate this page to you. One page in a yearbook, even if in color, can can never show how grateful we are to you for all that you have done, nor can it express how much we are going to miss you. Most of all, Mr. Cap, thank you for always being there at the right times. As you approach your retirement and leave Millbury High School, we want you to know that you can never be replaced. We wish you life's best in the years ahead and that the fish are biting! Good luck in everything that you do.

Woolie Pride

Reflecting on our senior year, we will always remember "Millbury Football." We were not the largest team in the league, but we had WOOLIE PRIDE. Football isn't about rewards or one-person credit, but recognition for everyone. We finished 1-10 last year; this year we became a 9-2 team! Our success was due to each player's continuous and tremendous respect, pride and love for the game. We could say that this year's team had more of these than in past years, but these are the common characteristics of every Millbury football team. These are the reasons why we would never desire to play for any other team.

As the seniors leave Millbury behind we ask, the coaches and spectators to remember that winning and losing are not everything. It is the memories taken, the tears after losing a close game, or those shared after a victory, and the relationships gained throughout the years that are important. Whether we were 1-10 or 9-2 we had a love for the game and that's what really matters!

Cheering

Varsity Football Cheerleading

The 2000 Varsity Football Cheerleading Squad had a very enjoyable and successful season under the coaching of Marybeth Sullivan. They were lead by Senior Captain Erin Callahan and Junior Captain Jenna King. The members of the squad were seniors: Andrea Chen, Jen Lane, Erin O'Donnell, and Heather Gibson. Juniors: Rose Threadguld (Sutton), Jessica Brown(Sutton), Amanda Campbell (Sutton)and Sarah Gribowski (Sutton). Freshman: Alicia Davin and Kaitlyn Wilzynski, and one lone eighth grader Amanda Bryant.

This year was exciting because we were cheering for a winning football team, and because we placed 4th in our Regional Competition at Franklin High School.

Soccer

Hey kids! The girls' soccer team has come a long way. Our team was faced with a lot of hardships and conquests. The team was brought together by multiple pasta parties, especially the party at Ashley Brisson's house, when we learned our cheers and screamed them at the top of our lungs. Senior captains Ashley Brisson and Joanna Morin and three seniors Danielle Vayo, Kaitlin Moriarty and Kerri Paquette led the team. Our greatest achievement was tying Oxford 1-1. Lindsay Dezotell, fueling our already strong defense, scored the tying goal in the second half. It was our last night game and we played our hearts out. That night, we finally, totally came together to show what we could really do. A great deal of credit goes out to all the girls on the team, Coach Andy Burnett, and manager Courtney Luksha. All-star honors went to Kerri Paquette and Ashley Fisher. Our amazing goalie Vaso Calpouzos set a record of 46 saves against Leicester. Woo Woo. Vamos a la playa.

Soccer

The Boys' Varsity Soccer Team was something to watch this fall. Skillful play by Tommy Reidy, rocket speed by Brian Spang, a nasty three-man defense, and at least one "show-stopping"save per game by Brian Ginisi all contributed to Millbury's 12-4-3 record this season. It all came to an end with the unfortunate loss to Hopedale in the second round of the district tournament.

The bulk of the team was made up by seniors, Adam Woelfel, Andrew Graves, Brian Lavoie, Brian Spang, Dan Oberist, Dave Richardson, Jeff Burwick, Joe Ragaini and the captains Brian Ginisi, Pete Nyce, and Tom Reidy. With eleven men leaving, the underclassmen will have an opportunity to step up their game and playing time next year.

Volleyball

This year's Varsity Volleyball Team was lead by junior captain, Kristen Stokowski, and senior captain, Nicol Boria. Although the team did not have an extraordinarily successful season, there will be many victories in the years to come. Last year we lost seven of ten members of the Varsity Volleyball Team when they graduated, so this year, is a season of rebuilding, many underclassmen stepped up to the varsity level to help fill their shoes. This year's starters included seniors Penda Dia, Colleen Caron and Nicol Boria, junior Kristen Stokowski, and freshman Kaycee Richards. Others were Amanda Graves, Julia Gustafson, Caitlin Bille, and Kelly McClure. We also had a new coach this year, Eva Mealy, who did a wonderful job. With all the improvements that were made this year, next year's season ought to be a victorious one. Best of luck to all.

This past season for Millbury was not the most successful season in the past three years, but it was definitely one to remember. Led by captain Matty "K" Krumsiek, Seniors Pete Wolochowicz and Mike "Practice Squad" Ward, and Junior John Mazeika, the Woolies made the District Tournament for the third straight year, only John Mazeika remains from the the original team that Coach Reno rebuilt to qualify for districts three years in a row. Hats off to Coach Steve Reno for the time he put into the team.

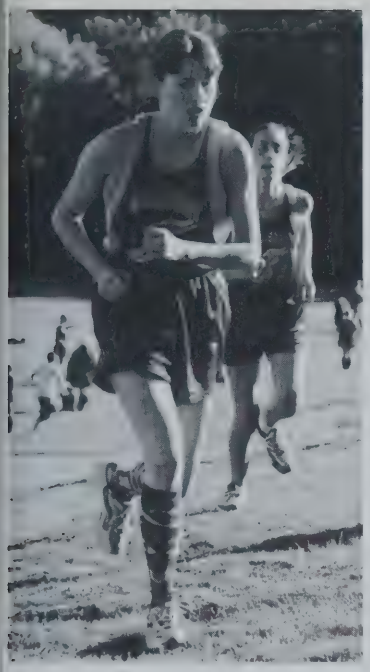
Cross Country



With a little yelling (okay, more than a little), a lot of team spirit, and a whole lot of pasta, the Millbury Girls Cross Country Team had yet another successful season. Senior captains Melissa Mathews, Joanna Grigas, Alice Cook, and Meaghan Birch led our relatively young team (thanks to the enormous addition of the 7th graders!) to a 3rd place S.W.C.L. league position and a 9-2 record. Although we were defeated by our arch rival Uxbridge, during the regular season, the Woolies pulled together and wrapped up the season with a 9th place finish in the District Meet (held in Gardner) which beat Uxbridge's 11th place finish.

Sophomore Lindsay Shields, 8th grader Shayna Wilczynski, and senior Joanna Grigas led the team in front and seniors Melissa Mathews, Alice Cook, and Meaghan Birch (each sporting a lovely pair of maroon tie-dye tube socks every meet!) gave the depth the team needed to win as they ran strong in the middle pack. Also helping a great deal were sophomores Jennifer Mardirosian and Nicole Casey and Freshman Audrey Wells who summed up the varsity team. Thanks again to our cheering squad of parents and Coach Nic for helping to make our team truly unique and outstanding. Banana@!

Cross Country

The 2000 Millbury Boys' Cross Country was the best boys' cross country team to walk the halls of Millbury High in over 20 years. Led by the unstoppable front running prowess of Sean McKeon and Ken Buron the boys' team compiled a record of 9-2. The two losses came to the only two divisions one teams in the league: Tantasqua and Shepherd Hill. Along with Sean and Ken, the top seven was comprised of Senior Nate Smith, Junior Mike Wackell, Freshmen Colin Johnson and Garrett Deschenes, and 7th Grader Gary Aquino. The team placed a heartbreaking second at the Wachusett Invitational with Ken and Sean going 1-2. At the League Meet, the team came from behind and outscored all the teams,including Tantasqua and Shepherd Hill, to take the S.W.C.L. championship home to Millbury for the third consecutive year. At the Districts the team placed 4th and was not able to qualify as a team for the State Meet, but the school did send Seniors Sean McKeon and Ken Buron to Tufts Veterinary School in Grafton, for the All-State Championship. At the All-State Meet Sean McKeon placed in the top 15 for the second consecutive year with a great showing in 13th place. Other seniors who have contributed greatly to our team included Bob McDonald and Justin Bennes, who, along with Sean, finished off their 6th year under Coach Nicoletti. Thanks to everyone, especially Mr. Nic, who supported us through the good times and the bad.

Basketball

By far this has been the best season that the Millbury Woolies have had in many years. We ended our season 9-11 missing the District game by one point! All ten girls on the team had an unbelievable season. For the two seniors, it was the best season that we could ask for. We all pulled together to work as a team and as Mr.Reno says, "We focused on the present." Between all the sprained knees and ankles and illness, we had one of our best seasons ever. Now that seniors Erin O'Donnell and Joanna Morin are leaving, it is up to our four juniors Kaitlin Fournier, Vaso Calpouzos, Laura Markey and Jen Morrissey to pull the team together for another awesome season next year. Our sophomores Brittney Sudar and Emily Mulhane also did an awesome job this season. Many thanks to our freshmen Meagan DuFresne and Kristen Hebert. It was a big change for both of you, and you did a fabulous job. Thanks Mr. Reno, we could not have done it without you!

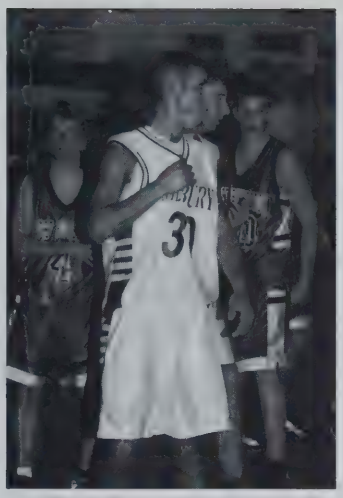
Basketball



The Woolies Varsity Basketball Team has completed another challenging season.

Although they did not quite reach their goal, which was to participate in the post season, the fans were still able to witness Derek Cano and Company play inspirational basketball. Cano led the team in scoring for the second straight year, while Joe Ragaini, John Wool, Brian Ginisi, and PJ Brownell contributed in their own way.

John Wool led the Woolies' all time record in fouls while Matt Lavallee and Mike Ludvigson showed brilliance on the court by hitting countless three pointers twenty five feet behind the basket. Nate Cadrin a.k.a. "Rudy" was a valuable contributor to both squads (JV and Varsity). Chase "Chance" Milanese showed great potential and may be the next Rick Smits. Overall, the team gave it their all and soon Millbury basketball will return to prominence.

Varsity Winter Cheering

The Varsity Basketball Cheerleaders had a great season this year. Along with cheering on the successful basketball team, they attended four competitions bringing home two trophies. Newcomer Coach Reidy offered her expertise both as an ex-cheerleader and a previous coach for St. Mary's. Coach Sullivan worked mainly with junior varsity but accompanied the varsity to games and competitions.Though we did not place at every competition, by the time Regionals came around, we realized the true spirit of cheering. We learned about achieving our personal best. With one of the smallest squads and several novices, the Millbury cheerleaders reached new heights. Although there were times of frustration, fun always found a way of creeping in. Whether it was Erin doing headstands, Ashley F. fixing her wrists,Jen making up a cheer, Sam putting on all of her braces, Amie trying to smile, Ashley B.ripping her shirt, Sarah putting her tongue ring in her sock, Jamie flying off of a shoulder sit, Tina forward rolling, or Courtney and Andrea breakdancing, the element was always there. The seniors would like to congratulate and thank the squad, coaches included, for their dedication. We will miss you!!!

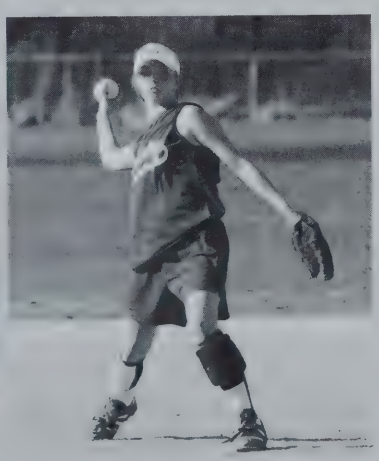
The team was the Co-Dual Meet Champions and easily outdistanced the field to take their first League Meet Championship since the late 1980's. At the League Meet great performances were put in by all. Topped off by Sean McKeon's double win in the mile and 1000. The team went on to place a respectable 3rd at the Districts Meet in Fitchburg led by Sean McKeon's 2nd place finish in the mile, Ken Buron's 3rd in the two mile, Tom Reidy's 3rd in the high jump and 6th in the hurdles, Adam Woelfel's 5th in hurlles, and the 4X800 team (Buron, Wackell, Smith, McKeon) placed 3rd. This year's Millbury Softball Captains are Laura Markey, Kristen Stokowski, Jen Morrissey and Melanie Mazurka. The captains were the most experienced and led the team.

We would like to thank our coach Steve Dufrane. Even though it has been a hard season, he has been there all the way. Next we would like to thank the team. Even though we were young, with no seniors on the team, we were able to compete well against other strong teams in our league.

The juniors on the team are Jessica Gaspie, Jaqui Gurney, Jen Bubon, Jen Morrissey, Kristen Stokowski, Laura Markey and Melanie Mazurka. With more experienced players next year we will try our hardest to be in the Districts ready to take down Douglas! Thanks to the coach and players for a great and memorable 2001 season.



Baseball

The baseball team like other spring sports experienced a late season because of the weather, but they were able to use the high school field as their home field. The team had seven seniors, John Wool, Brian Lavoie, Joe Ragaini, Jeff Burwick, Brian Ginisi, John Cristo and Peter Wolochowicz. John Wool led the team with a batting average of .351, eleven runs batted in and three home runs. Joe Ragaini pitched a riveting shut out against Quabog.

The most exciting game was the 9-5 win against previously, unbeaten Southbridge. Go Woolies. Thanks to our coaches and fans.

Despite the late start due to the snow, the mud and the inability to have home meets becasue of the construction, the boys' track team had a terrific season with a record of 6-2. The team was led by seniors Ken Buron, Andy Graves, Nick Hall, Sean McKeon, Bob McDonald, Pete Nyce, Dan Oberist, Tom Reidy Nate Smith, Brian Spang and Adam Woelfel. The team lost the League Meet at Northbridge by only one and a half points to Shepherd Hill and the Class C Meet by only one point to Blackstone-Millville.

The score at the Class C Meet was the highest score by a Millbury team in five years and one of the top five scores in all of Millbury track records. Other season highlights included the record setting 4 by 800 performances of Wackell, Smith, McKeon, and Buron, the First Place Decathlon finish of Spang, Woelfel and Reidy and the qualification of Woelfel and Reidy for state meet. Way to go guys.

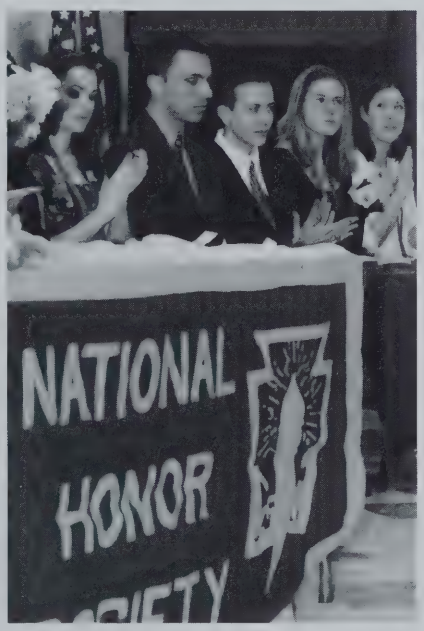
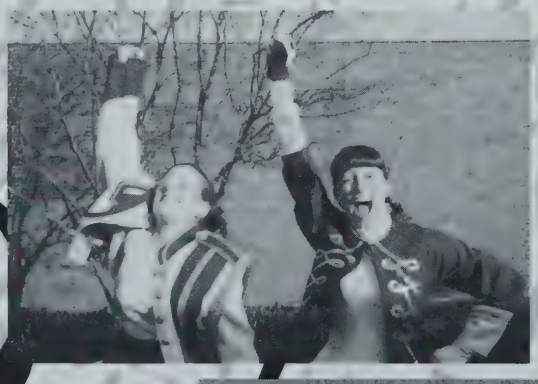
Looking Back, Moving Forward





Mark Time, March!

This year's marching band did very well, especially since we were faced with several set backs, including rain during band camp and constant relocations due to construction. The marching band was led by Drum Majors Meaghan Birch and Kristen Stokowski. Each year the band grows with more members and a higher level of musicianship. Although support for the band is still very low, more people are beginning to realize the hours of hard work and dedication we put into making our shows the best they can be.

This year's winter percussion and indoor guard did extremely well, receiving both silver and gold medals at competition, which is remarkable considering the setbacks. Percussion Captains Paul Bouley and Meaghan Birch and guard captain Erika Nelson led the groups to victory.

Seniors Jen Hall, Danielle Vayo, Meaghan Birch, Erika Nelson, Pete Nyce, Chris Morkunas and Elijah Lillie will be missed. Good luck next year to Kristen Stokowski, Penny Pitman and Kelly Roberts, as well as the rest of the band and colorguard, who will once again be victorious.

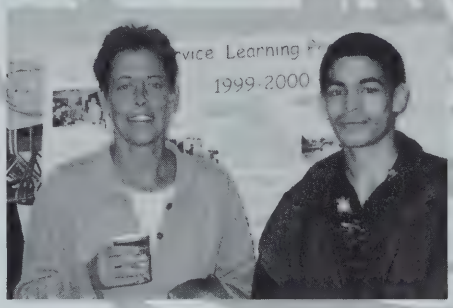
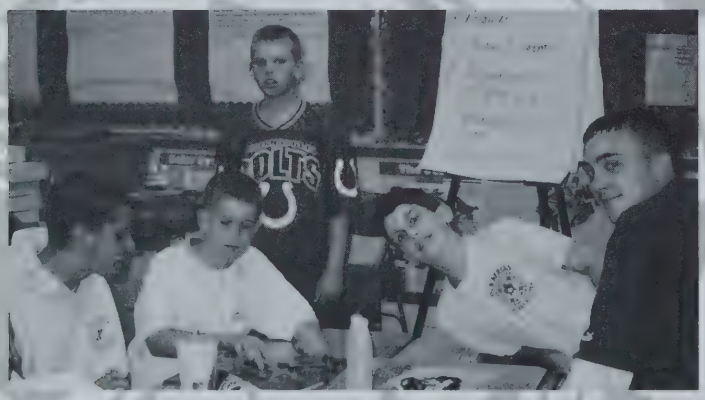
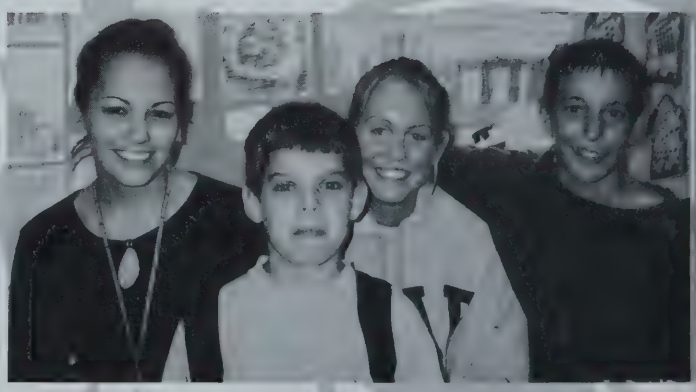
COMMUNITY SERVICE LEARNING

"Only a life lived for others is a life worth living"

Albert Einstein







Our Community Service Youth Council was created in 1997. Since that time students have been involved in many projects. Because of a generous grant from the Massachusetts Service Alliance this year, twenty projects were funded. Among the projects funded for 2000-2001 were a chemistry show for sixth graders, a cleanup on Brierly Pond, a mentor program for Shaw students, the Senior-Senior Prom, Earth Bags, a Future Teacher Tutoring Program, an Intergenerational Concert, a Girls' Sports Day and a Poetry Contest. Through the community service learning projects, students make lasting friendships with people in the community, develop the important concept of giving back to the community, and develop interests which may lead to careers. Miss Hamilton has done an incredible job of organizing this program to the fullest. She has empowered students to assume leadership roles which benefit both the students, and more importantly, the community.
